Youth Sunday School

Acts 21:-22. After Paul's third missionary journey, he went to Jerusalem even though he anticipated trouble. Soon a riot started in the temple, because people believed that Paul was telling Jews they should not follow their customs. With the protection of the Roman soldiers, Paul spoke to the Jewish people.

→ What was Paul really trying to say? (Forgiveness is possible through Jesus, not through following customs. See 22:16.)

→ What aggravated the crowd most? (Paul's assertion that God's message is for the Gentiles as well as Jews. See 22:21.)

→ Paul told the crowd that he used to be very religious. What is the difference between being religious and trusting in Jesus as Savior and Lord?

The Easter Lily sign-up sheet is on the Welcome Shelf.

The lilies are \$21 and will be delivered by Palm Sunday.

The deadline to order is TODAY.

Checks designated "Easter Lily" can be put in the offering plate.
