A Moment for Missions

Our Missionary of the Month for July is Dave & Toni Flood with the Edgerton Teen Center.

This article consists of information taken from the website wevalueteens.com.

The Edgerton Teen Center, governed by Non-Toxic Youth Alternatives, Inc., is a 501(c)(3) non-profit organization incorporated in the State of Wisconsin. We place immense value on teens and have provided a safe and supervised place for young people for decades.

Since its creation in 1993, the Edgerton Teen Center has been and remains 100% volunteer-staffed. No person receives financial compensation for their services, ensuring that all monies raised go directly toward youth programs. We are a faith-based youth organization that believes mutual trust and acceptance are the keys to healthy relationships.

The great dilemma of any youth generation is the result of **lacking or destructive relationships**. Peer groups offer relationships, but these are often not healthy since they are based upon immature people's values. Gangs offer security and a substitute family but offer no hope, unconditional love, or forgiveness. It takes a mature caring adult to offer a genuine and valuable relationship to a teen.

This generation can be trusted and they need to be shown that they are intrinsically valuable to God, the Church, and their community.

There exists in Rock County, Wisconsin an urgent need to declare, explain and prove the love of God and of the Community to a generation of young people. They need caring adult intervention in their immediate situation. These groups: Home, Church, and Community should love, strengthen, and protect young people. We stand in the gap between the youth and the local church, presenting a dynamic and positive alternative to this anxious generation—a Non-Toxic Alternative!

MISSIONARY OF THE MONTH
JULY
EDGERTON TEEN CENTER
DAVE & TONI FLOOD

Our Missionary of the Month for July - Dave & Toni Flood with the Edgerton Teen Center.

A Moment For Missions continued:

This is an integrative, curiosity-driven teen center offering hands-on educational programs, participation in fine arts and skilled trades, indoor recreational games, and diverse outdoor adventures. The organization owns the necessary equipment for safe and enjoyable recreational activities, and volunteers are skilled in their respective roles.

From the early days in 1993 to the present, our location has changed but not our mission.

We Value Teens.

Dave Flood is the founder and president of the Edgerton Teen Center. Together with Antoinette (Toni) they serve teens whenever the doors are open and interact with them throughout the week. They have three adult sons and twelve grandchildren. Dave holds a master's degree in Biblical and Theological Studies, a Master of Arts in Christian Education from Dallas Theological Seminary, and a Doctor of Ministry from Northern Seminary. Antoinette earned her BS in Bible Theology from the University of Northwestern, St. Paul. They both have worked with youth since the 1980's.
