Car Talk Youth Sunday School

Acts 11:1-18. Last week we learned how God's vision to Peter as well as the angel sent to Cornelius showed how there was no longer to be "clean" or "unclean" food or "clean" or "unclean" people. This week we see how some believers in Jerusalem struggled with this: they thought Gentiles needed to follow Jewish culture in order to be acceptable to God.

- How did Peter persuade them? (He explained what happened, then described how the Holy Spirit came on the Gentile believers. "If, then, God gave them the same gift that he also gave to us when we believed in the Lord Jesus Christ, how could I possibly hinder God?" (11:17).
- How did the Jews respond? (see 11:18).
- How does it make you feel to know that God loves you and is willing to accept you?

(Due to winter camp, middle and high school students will be off cycle until Feb 8.)

New Women's Bible Study

How much have you considered your eternal home? When we talk of heaven there can be many questions. Who will be there? Where is it? What will we do there?

Join the Waters Women's Fellowship for this 7 session bible study by author Jennifer Rothschild as she explores the subject of **"Heaven, When Faith Becomes Sight"** As we walk through this study she will help us separate myth and legend from biblical truth to give us a deeper understanding of what God has prepared for his children so we can look forward to the glorious unending that awaits us.

We begin on Monday, January 19 from 7:00-8:30pm on Zoom. Sign up online on the church website or at the table in the gathering area beginning December 28. The cost is \$25.00. Scan the QR code to watch the promo video.
