A Moment for Missions

Our Missionary of the Month for August is Josh Bilhorn with InterVarsity.

From a recent Newsletter:

A New Generation of student leaders preparing to serve...

Since our earliest beginnings—more than a century ago in England—InterVarsity has been a student-led movement. At the heart of our calling as campus missionaries is the opportunity to inspire, train, coach, mentor, and disciple the next generation of leaders for Christ's Church. I absolutely **love** this part of our ministry.

This past May, during our Chapter Camps, many InterVarsity chapters passed the torch of leadership from one generation of students to the next. This is one of the unique realities of college ministry: our strongest student leaders are always just a few years away from graduation! Because of that, developing a new generation of leaders each year is essential to the culture and mission of InterVarsity.

Lakes and Plains students learning how to lead small groups on campus

Passing on the torch of leadership at the University of Minnesota Duluth

In just a few weeks, these new leaders will return to campus and step into their roles. They will welcome incoming students through New Student Outreach, launch small groups in new corners of campus, lead worship gatherings, and organize prayer meetings.

This will be an exciting season for these students—and also a critical season in their own discipleship. Our campus staff will walk alongside them, coaching and encouraging them as they learn to depend on Jesus, proclaim the gospel, and build witnessing communities on campus.

Please pray for the nearly **800 student leaders** across our region who will be serving on campus this fall. These young men and women are future servants and leaders of the Church. Pray that, as they step out in faith, they will experience the deep joy of servant leadership and see God work powerfully through them.

A Full and Grateful Summer

The summer is moving quickly, and we are grateful for the many opportunities our family has had to grow, serve, and spend time together.

David attended Badger Boys State at UW–Eau Claire and then served for two weeks as a camp counselor at Fort Wilderness in Rhinelander. Both experiences gave him valuable opportunities to grow in leadership and responsibility.

Ellie participated in a three-week intensive leadership camp at Fort Wilderness, and we were deeply impressed by the program and the ways she was challenged and encouraged. Adele also spent two weeks at Fort Wilderness and has been busy writing this summer—she is currently working on her first novel!

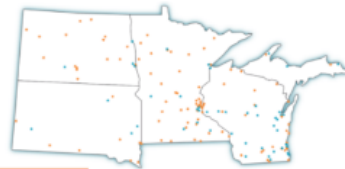

Along with summer jobs and activities, it has been a joy to watch our children continue to grow in maturity, confidence, and independence.

Opala continues to run her piano studio throughout the summer, which is an especially good season for welcoming new students.

As a family, we also enjoyed a week of vacation in Sandusky, Ohio. It was a wonderful opportunity to slow down, be together, and simply enjoy one another. David and I rode roller coasters at Cedar Point until we were nearly dizzy, while Opala and the girls enjoyed a theatrical performance near Cleveland.

We are thankful for a full summer, for meaningful experiences, and especially for the gift of time together as a family.

Thank you for your prayers, encouragement, and faithful partnership in this ministry.

Dear Fulton Church and Missions Team,

Thank you so very much for your special gift to us in April/May for our trip. We really appreciate it. God provides for our needs through people like you. **THANK YOU!**

You are a blessing to us as well as those we work with.

In Him,

Barry and Ruth Nelson
