Discipleship Training School, Vietnam

We flew to Vietnam for 1 week to teach in the discipleship Training School (DTS). Jonathan taught the topic 'The Kingdom of God'. He took the class through 5 main themes in order to help the students understand this big concept of Kingdom of God. Tukta also helped teach about what it means for us to be a part of the Kingdom of God now on earth. She took the class through history of the church to see how the church has impacted different areas of society in the past and what we can learn from them. We had such an amazing time with the school and it was very fruitful week of teaching.

Here are some testimonies from students and staff in the class.

"I had heard about The Kingdom of God as a vague concept before. Now I feel I better understand what it is and what it means for us to live within it."

"I learned that God truly is the King of creation and yet he still wants an intimate relationship with us who are sinners. I also learned that we can serve him in many different aspects in our life."

"We are reminded to live under the LORD's reign, allowing him to be King in every area of our lives and to reflect his love, righteousness and mercy to those around us."

Soul Sisters Attend The Garver Feed Mill Farmers Market On Saturday, January 31st

The ladies of Fulton Church traveled together to Madison for a winter farmers market. The Garver Feed Mill hosts over 50 vendors displaying a wide variety of products. We all enjoyed local cheese, baked goods, natural soaps and lotions, fresh vegetables, and meats. We then shared a delicious lunch of pizza and salads. Conversation was rich and meaningful as always. Be sure to add this market to your next outing.

Soul Sisters Attend Soup's On

Soup's On is a delicious soup tasting event in support of Edgerton Outreach, held at Edgerton High School on Saturday February 21st. More than 30 soup flavors were offered by local chefs, including our own Mark and Kim Kindschi. The event was well attended by the local community, including several families from Fulton Church and the Soul Sisters. Delicious food and great conversation made the event a success!

Thank you, Tracy Hataj, for these articles and photos!
