A Moment for Missions

Here is part of a recent newsletter from Matt and TaLarrya Millar. They will be our Missionary of the Month for November.

Ramping Up as the Year Winds Down

September was filled with travel for both of us together as well as a trip for each of us on our own. After June, July, and August that were pretty low-key, travel will be the trend from now until mid-December when we settle back down in Nairobi to finish out 2025. We are grateful for the opportunities in front of us and also ask for your prayer.

The opening week of September marked our maiden Cultural Humility Learning Journey.

The trip was an opportunity for Christian leaders to be immersed in another culture in order to learn both how to interact with people from diverse cultures in a meaningful way but also how to be contextually relevant in starting a community of faith in a different context. Our group of fifteen leaders traversed the nation of Türkiye to experience the seven churches from the book of Revelation as well as underground cities, churches built inside rock formations, and we threw in a hot air balloon ride for good measure!

We received some wonderful feedback and also learned how to improve future learning journeys. We're currently planning to take a group to Jordan in September of 2026 for the next immersive learning opportunity.

MISSIONARY OF THE MONTH
NOVEMBER
MATT & TALARRYA
MILLAR
EXPONENTIAL

Our Missionary of the Month for November is Matt and TaLarrya Millar.

TaLarrya to the USA

TaLarrya officiated her nephews wedding in the southern part of Michigan. She also spent time in Cincinnati with a few friends and was able to consolidate the boxes she left when she moved to Kenya five years ago. It's been a fairly short trip but an enjoyable one.

Before she left, she was able to have a number of engagements for Activation Church. God continues to move in, around, and through her as this community of faith is aligning themselves to God's will.

Your Ta'raii Fix

Ta'raii and Matt have been surviving as well as we can expect without mama around. Our little man continues to grow and develop in super fun ways. This week, seemingly out of nowhere, we were in the elevator and he started to count the numbers as we passed each floor. We had not been focusing on teaching him numbers but he just picked it up from some of the toys he has. His vocabulary is increasing daily and "No" is one of his new favorite words. :)
